

ISEE Australia 6th Annual Conference CALL FOR SPEAKERS

2022 Annual Conference

November 10 and 11

This year's conference brings us back to port city of Fremantle, Western Australia. The conference will be held at the perfectly located Ridges Esplanade Hotel, in Fremantle's CBD.

If you have a paper or presentation you would like to share with the Drill & Blast community, please email the conference team with an abstract. More information pertaining to requirements are on page 2.

We will publish papers and presentations on the ISEE website for access by people after the conference.

Some suggested topics include:

- Case Histories: Problems and Solutions
- Blasting Safety and Explosives Security
- Environmental Improvement
- Blast Vibration and Air Overpressure
- Fragmentation Modelling and Measurement
- Drill to Mill Optimization
- Electronic Detonators
- Explosives Research
- Reactive Ground
- Plus many more.

This is truly an industry event, hosted by an industry body. If you only attend one Conference this year.....this should be the one.
